no time should be lost in
making of applications.

If you can obtain this
the two Swales Lakes & this
is the proper time to plant
them you would obtain two
crops have had a little flood
they appear to flood looks
as if the was a Tributary

of the famous Yellow River

by bringing the point me
to remember me to
Mr Booker we look forward
to hearing from Mr. Johns
Mr Johns called on
Mrs Johnson there is a
valley Magnificent
